### For Clergy and/or Parish Administrators

Procter asks each family that requests a campership to also approach their parish for partner funding. We believe Procter Summer Camp complements the formation happening in your parish. The growth that happens at camp, through community building, Christian education, exploration and unconditional love, strengthens both the camper, and the parish.

**Please check one:**  Send my parish an invoice for the amount listed above  
 My parish will send a check (Please include the camper's name on the check)  
 My parish is unable to contribute, but I support this/these campers request for Campership.
