Rates Explained

Procter uses a tiered pricing system for Youth Camps. Procter will **always** work with families and churches to provide Campership funds to make camp available to all regardless of financial ability to pay.

Goals for Tiered Pricing and Campership

Accessibility To work towards making our camp community reflective of all the people in the Diocese of Southern Ohio, and make a camp experience possible for all families.

Sustainability To ensure our camp program and facilities are sustainable for generations of campers to come.

Community At Procter Camp we encourage radical hospitality, function as an intentional community, and practice welcoming each other as if we are welcoming Jesus. We believe we are modeling the way the world could be, where everyone is embraced and valued for their authentic selves, regardless of their socio-economic background.

Procter Summer Camp 2019 Rates

This fee structure relies on the honor system. The rate your family pays is confidential; all campers receive the same camp experience regardless of which tier you choose.

Tier 1- Subsidized Rate: Does not reflect the true cost of Procter's summer operations. The Subsidized rate is available thanks to mission share funds, Friends of Procter, and other Diocesan support.

Tier 2- Direct Rate: Direct costs covers our direct program costs, camp staff stipends, food and administrative costs.

Tier 3- True Rate: This rate more closely accounts for the TRUE costs of camp after Diocesan support for the program. Families who can afford to pay Tier 3 are encouraged to do so. You help Procter make needed upgrades and continue to grow in the future.

Campership- For families unable to pay the Subsidized Rate. Procter and the Diocese of Southern Ohio are committed to making camp accessible for all campers, adults and children, regardless of ability to pay. Campership is supported by private donations and Bishop Breidenthal's plate collection at parish visits. Your donations help send a child or family to camp. No camper is ever turned away from Procter for financial reasons.

Campership functions on the honor system, we do not ask for personal financial information. Initially, families are asked to contribute 1/3rd of the camp fees, Procter contributes 1/3rd for Camperships and ideally a parish sponsors the camper with the last 1/3rd. The 1/3rd family contribution is negotiable, however each family is required to make some amount of financial investment.

Indicate you are requesting Campership during the registration process. If you attend an Episcopal parish, or other church willing to contribute funds, discuss this amount with your clergy or administrator **before** registering.

Family Camp Rates

Family Camp rates are determined by your requested accommodations and the number of people in your family group. Conference Center rooms have private bathrooms and air conditioning. Cabins have shared bathrooms, fans, and you supply linens for twin bed.

The first two people in your party to register, regardless of age, pay the set amount listed above by your session name. Each additional camper is \$85 (conference center) or \$75 (cabin).
