

## Ask about our 2020 CSA!

CSA stands for community supported agriculture and is a way for consumers and farmers to join in support of small agriculture. Members purchase a share of the farm's harvest, in advance of the growing season. In return, members receive a weekly supply of high-quality, locally grown, fresh produce and products. June into October, the Procter Farm CSA will run for 16 weeks. Members are given a weekly share (a box) of **vegetables and/or meat, herbs, pasture-raised eggs, seasonal specialties, and more.**

### Reasons to join a CSA:
